**You must refrain from the illegal possession and use of drugs, including prescription medication not prescribed in your name, and must submit to urinalysis or other forms of testing to ensure compliance. It is further ordered that you must submit to evaluation and treatment, on an outpatient or inpatient basis, as approved by the U.S. Probation Office. You must abide by the rules of any program and must remain in treatment until satisfactorily discharged by the Court. You must alert all medical professionals of any prior substance abuse history, including any prior history of prescription drug abuse. The U.S. Probation Office will supervise your compliance with this condition.**

On April 2, 2021, a home contact was conducted at the offender's residence. He was drug tested and the results were positive for Marijuana, Oxycodone and Opiates. When questioned, he admitted to using Marijuana and Oxycodone. Regarding the positive test for Opiates, he stated that he was prescribed Morphine pills for pain as a result of having been a victim of a shooting that occurred on April 1, 2021.

U.S. Probation Officer Action:

The Probation Office verbally reprimanded Mr. Greene for using illegal drugs and failing to abide by his Location Monitoring schedule. This is the offender's second notification to Your Honor. On January 22, 2021, a Report on Offender Under Supervision was submitted regarding his positive drug test for Marijuana and Oxycodone. At that time, we did not recommend any court action. Mr. Greene continues to attend mental health treatment at COPE Center. We are not recommending any court action be taken at this time. We will continue to monitor his compliance and notify the Court of any additional noncompliance.

Respectfully submitted,

SUSAN M. SMALLEY, Chief  
U.S. Probation Officer
